

Greetings **Shubh Property**,

I hope this document finds you in high spirits and ready to take your customer relationship management to the next level! We are excited to offer you our Leadrat Real Estate software, guaranteed to bring increased productivity to your workplace.

- ✓ **Mobile-first design** for sales executives on the go, compatible with both Android and iOS.
- ✓ **Bulk Upload** Simplified data sheet bulk upload without requiring formatting, automatically correcting phone number formats.
- ✓ **Integration** with various lead sources including social media, property portals, and websites.
- ✓ **Automated lead assignment** based on projects, ads, or lead sources.
- ✓ **Robust follow-up system** to ensure important engagements with leads are not missed.
- ✓ **Enhanced security** with separate tenant creation for each organization and data stored on Microsoft servers.
- ✓ **Minimization of human errors** through data selection-based input for lead information.
- ✓ **Comprehensive lead history tracking** for transparency and verification.
- ✓ Capability to **upload site visit and booking forms** directly into the system.
- ✓ Automated creation of **property microsites** for enhanced marketing and presentation.
- ✓ **Attendance** logging through punch in and punch out with location tracking and selfie verification.
- ✓ **QR code**-based lead generation forms can be generated automatically in various formats.
- ✓ **Lead recycling** among team members involves reassigning dormant leads as new ones, inadvertently creating internal duplicates.

*Leadrat simplifies and automates your sales procedures, allowing your sales team to engage with customers more effectively and with less stress. We understand that sales can be challenging, so we aim to innovate and streamline the process to make your life easier. Our product-focused company is dedicated to being an integral part of your organization's operations, providing innovative solutions to enhance productivity and success.*
